Hi Cliff:

I understand the constraints. AmyMarie will conduct the first few days of oversight on the boat to monitor the launch of the sampling effort, and then she'll brief Jordan and he'll take over the program.

Best regards, Len

Subject: Boat capacity

Len – on our last call you asked if it would be possible for both AmyMarie and another LBG person to be on the boat. We checked with ARCADIS and there is insufficient capacity for this. They limit the number of people on the boat to 4; 2 are the ARCADIS folks. So, if one EPA/LBG person is on the boat, along with a Tierra person, we will be at capacity.

We can discuss further on our next call.

Cliff
